Dear [Redacted]

STAT

As you know, we are now in the process of preparing the draft Fiscal Year 1988 Intelligence Authorization Bill. We expect to circulate a first draft for comment within the Intelligence Community by mid-November.

The Defense Intelligence Agency, of course, has three proposals contained in the Legislative Program for the 100th Congress that you have requested be included in the bill: "Equalization of Uniform Allowance for Certain Foreign National Employees Employed by the Defense Intelligence Agency in Embassies Abroad" (#100/1 - 31); "Exemption for the Defense Intelligence Agency (DIA) from Certain Federal Personnel Data Reporting Requirements" (#100/1 - 32); and "Eligibility of Defense Intelligence Agency Military Attaches and Civilian Personnel Assigned to Defense Attache Offices for Department of Defense Death Gratuity for Members and Employees Assigned to Intelligence Duties Abroad" (#100/1 - 33).

To ensure these proposals are included in the draft bill, it is necessary that we receive from you, no later than 7 November, the actual legislative language that you want incorporated. Specifically, we need for the three proposals: the legislative language itself; the "section-by-section" analysis; the "changes in existing law" section; and the cost analysis.

If you have any questions, please contact me.

Sincerely,

[Redacted Signature]
